Willamette Valley Medical Center is committed to providing high-quality care close to home, further enhancing and expanding our services, and making the right investments to promote and protect the health of our region. We take seriously our responsibility to advance our mission of *making communities healthier*® and support our community as a vital economic engine. Our dedicated team is committed to going above and beyond to meet the needs of those we serve – both inside and outside our hospital walls. With support from Lifepoint Health and community partners, like you, we continue to make a positive difference together and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. Thank you.

2022 Community Benefits

Added 23 on-site employed and independent providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in anesthesiology, cardiology, emergency and internal medicine, nephrology, pathology, pediatric critical care and podiatry.

Made more than \$4.82 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included an upgrade to the Senior Behavioral Health Unit, new ultrasound equipment and a renovation to the OR.

Distributed a payroll of \$57,946,364 to approximately 480 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

Donated nearly \$6.5 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

Paid \$4,596,742 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

WVMC occupational therapists came together to celebrate Occupational Therapy Month and the important role they play in delivering high-quality care to our patients.
